italian bang 02287

L'uomo pensava
che il detective
se l'era cercata.
Aveva ficcato il naso
in affari troppo grossi.
“Bang!Bang!”
Due colpi di pistola
attraverso il vetro
della porta del suo ufficio.
Silenzio.

Un paio di minuti dopo
il detective uscì
da dietro il divano,
scosso,
ma salvo.
Se l'era cavata
anche stavolta.
“Ecco cosa vuol dire
un buon divano!”

The man thought
that the detective
had asked for it.

He had stuck his nose
in a business
too big for him.
Bang Bang!

Two gun shots through
the glass of his office door.
Silence.

A couple of minutes later
the detective came out
from behind the sofa,
shaken,
but safe.

Also this time he had
managed fine.
“That's what having
a good sofa means!”
